Okay, thanks. If you are coming to the AZ Workgroup meeting, can you tag team with me on this? I'm going to give a general overview of issues in the San Pedro, can you follow up with what you told me last week?

Thanks,

Jared

Yes, we have been in communication with Tucson Audubon. We reached out to the Corps and have kept Audubon up to date on the status of the Corps' review.

Thanks, E.

Hi Liz,

I know we talked briefly last week about the Corps (non)involvement, but I'm wondering if the Audubon Society sent a letter to us for help. Would it help to get a request from the public or a NGO in the area?
